TINY SEEDS OF STRIFE SOWN "AS IN RUSSIA"

Decision Affects 325,000 Clerks, Signal Men and Stationary Firemen.

By the Associated Pres. CHICAGO, June 17 .- Majority members of the United States Railroad Labor Board, who yesterday ordered another \$27,000.000 slash from wages of the nation's railway workers, today replied to criticisms of minority members, with the charge that the dissenting members presented "incendiary arguments in a strained and exaggerated effort to inflame the employes to strike against the decisions of the board."

"The minority, constituting two of the three labor members, were accused of sowing some of the tiny seeds that have been germinated and blossomed into anarchy in Russia." Yesterday's decision, which affects wages of 325,000 railway clerks, signal men and stationary firemen, brought total reductions effective July 1 under the board's orders to \$135,000,000. Approximately 1,200,000 railway employees are affected. way employes are affected by the or-

TWO MASKED BANDITS LOOT TRAIN AND FLEE IN WAITING AUTO

By the Associated Press.
PITTSBURGH, Pa., June 17.— The Fairmont express on the Pittsburgh and Lake Erie railroad was held up near Webster, Pa., about twenty-five miles from here, at 10:40 o'clock this morning by two masked men, who robbed the baggage car and escaped. The express, known as train No. 55 from Fairmont, W. Va., to Pittsburgh, left Brownsville, Pa., at 9:40. It is left Brownsville, Pa., at 9:40. It is believed the bandits boarded the train at that point. They entered the baggage car as the train neared Webster, and after binding and gagging Azel Hicks, express messenger, and M. Amber, baggageman, they looted a safe.

At Webster the bandits did not wait for the train to stop. They jumped at a street crossing where an automobile, containing two men, was awaiting. As the robbers entered the machine the driver started away in the direction of Pittsburgh.
